## << STEADFAST >>

Summer is here and things are heating up. Sometimes we can get caught in the trap of comparison. With so much going on we can get too busy or get too lazy. There is so much good stuff for us to be about. If we get caught up in comparison, we might be tempted to be jealous of a trip or vacation taken instead of being happy for the times we have. If we get too busy, we can miss the sunrises or sunsets and the beauty God has painted for us. We can also get lazy and think we can just coast spiritually until the next big thing. In all of these things I hope we know that what we are working out in our faith is not wasted. The time we spend with God and serving others is an investment in kingdom. The repayment for these things are joy, peace and a steadfast heart that won't get tired of working for God. Stay strong and stand firm. We serve a great and loving God.
