December is full of things and expectations. We look forward to connecting with those we love and giving to those around us. While it might not always be a tangible gift, we can give the gift of being present. Taking the time to spend with those we love. We have the best example of this in Jesus. He was born and made His dwelling among us. As we read stories of what He said, and did I hope we can also remember how others responded to His birth. Patiently waiting and then receiving the grace and truth. The unmerited favor of God to work in and through our lives. The truth is we have always needed Him. He fully understands what it is to be human: To be misunderstood, questioned, loved and hated. Jesus is the best gift we could ever receive. We pray that you get to know Him more as the year ends and we are excited for the new year ahead.

GRATEFULLY GATHERED

We have been at our new location for a year! The change in location has set us up for further growth and development as a youth group.

We are excited to host events and meetings and have recently launched a young adult group for students 18 to 25 years old.

They have access to their own space and meet monthly initially with hope of more frequently as desired. Our goal is to strengthen, equip and encourage students to grow in their walk with God. We want to continue to welcome students and their families to join us for Sunday at 3. We will continue to go after being rooted, built and grateful in Him.
