Freedom is something that is commonly undervalued. At times we forget how fortunate we are to make choices, grab a snack or take a walk without fear. As we mature as believers it is important to walk with confidence and clarity. When we understand that Jesus has purchased our freedom our walk changes. Things that used to capture our attention start to fade. We realize that we are free to live abundantly and unchained to the patterns, plans and traditions of this world. We live from Christ, in Christ and through Christ. This lifestyle brings freedom from self preservation and self seeking. We can choose to take opportunities to love one another. To serve one another and to look for ways to build up and encourage. Find someone you can freely give encouragement, hope and love to today. Write a note, send a text, grab some ice cream and share the love of God.

### GRATEFULLY GATHERED

We are so grateful to be here and development as a youth group. We operate with weekly meetings and at least 1-2 events each month. We rent space from Gladstone Church of the Nazarene located off of Jennings Road. Pastor Larry and their church body are excited to partner with us and give us space to grow further in spiritual depth and numerically. We have an entire youth wing complete with a gym that we can use to strengthen, equip and encourage students to grow in their walk with God. Thank you for your continued support over the years. We will continue to go after being rooted, built and grateful in Him.
