We reveal a lot in how and what we pray for. When we remember those who are trying their best to live for God, struggling to find a point to life or just in a season of discovery. We can ask God to give the Spirit of Wisdom and revelation. This can be given via answered prayers. Not just for information but what to do with the information and that the true nature of God would be revealed. We are so grateful for each of you. We want to see and give you opportunities to not only get to know God better but also ask that others you know experience the same thing. Take sometime today and reflect on who you should be thankful for and ask God to give wisdom and clarity that brings them to a clearer understanding of who God is. Making Him known through our gratitude is something that is impactful and often only costs us the time to think about it.

GRATEFULLY GATHERED

We have been at our new location for over a year! The change in location has set us up for further growth and development as a youth group.

We are excited to host events and meetings and have recently launched a young adult group for students 18 to 25 years old.

They have access to their own space and meet monthly initially with hope of more frequently as desired. Our goal is to strengthen, equip and encourage students to grow in their walk with God. We want to continue to welcome students and their families to join us for Sunday worship as well. 3:00 to 4:45 each Sunday. We will continue to go after being rooted, built and grateful in Him.
