Abiding in the love, grace and mercy of God. This is a strong word that holds depth and meaning. What does it mean to abide? To remain in a close, daily relationship with Christ. His presence and transforming power at work in our heart, mind and soul. It is trusting in Him. Full reliance. Home. In the Bible, to abide means to remain, stay, or dwell in a place, and spiritually, it reflects a continuous, committed relationship with Jesus Christ. Abiding is not a temporary or passive state; it is a lifestyle of staying rooted in Christ, His teachings, and His love, which enables believers to bear spiritual fruit and experience His joy and guidance in daily life. Will we stay close to the love, the grace and the mercy. Will we make these attributes our dwelling? As we launch into summer may we all abide in His love. May our hearts find their home in Christ Jesus.

GRATEFULLY GATHERED

We are so grateful to be here and development as a youth group. We operate with weekly meetings and at least 1-2 events each month. We rent space from Gladstone Church of the Nazarene located off of Jennings Road. Pastor Larry and their church body are excited to partner with us and give us space to grow further in spiritual depth and numerically. We have an entire youth wing complete with a gym that we can use to strengthen, equip and encourage students to grow in their walk with God. Thank you for your continued support over the years. We will continue to go after being rooted, built and grateful in Him.
